

I am very pleased to announce the coaches that will be working within CUSC for the 2009/10 seasons. We are dedicated to having the best coaches who will create an environment to provide quality player development. The coaches will be working together, within their respective age groups, to ensure that ALL players will have the appropriate teaching environment. Each coach will be working from the CUSC curriculum which is designed to enhance player development as well as team development. Please remember everything we do is PLAYER CENTERED.
